

RESEARCH TOPIC GUIDE

PLI PLUS

PLI PLUS is a great place to begin your research because all PLI Press publications are secondary sources that contain expert analyses of today's legal controversies. Our publications, form templates, and program transcripts provide users with authoritative background information, as well as insights into the positions of leading practitioners from law firms, corporations, government, and academia.

Environmental, Social and Governance (ESG)

Scenario

After reading about how corporate statements concerning ESG objectives can affect corporations and lead to litigation, a legal researcher is eager to learn more about how ESG disclosures are best handled.

Search

"environmental social and governance" or ESG

Results

- The Legal Privilege - The Indispensable ESG Tool

The screenshot displays the PLI PLUS search interface. At the top, a search bar contains the query "environmental social and governance" or ESG. Below the search bar, there are filters on the left side, including Format, Practice Area, Date, Author, Affiliation, Book or Program Title, Chapter Type, and Form Type. The main search results area shows "1 - 25 of 1,222 Results" and "Results Per Page 25". The first result is titled "Environmental, Social and Governance (ESG) Considerations in Private Equity" and is a Transcript Segment recorded on Feb 10, 2022. The speaker(s) listed are Joseph Ehrlich (Brown & Brown Specialty Risk Solutions), Faisal Khan (EFTM), and Michael R. Littenberg (Ropes & Gray LLP). The practice areas listed are Banking and finance, Corporate governance, Corporate law, Corporate social responsibility, Financial capital, Investment fund management, Private equity, Private equity funds, Securities, and other financial products. The snippet of the transcript reads: "... And I'd also add that if anyone out there is interested in going deeper in the future in any of these topics, please reach out. Let any of us know. We're all deeply interested in this and happy to talk about it. So on slide four, I've outlined what the origins of ESG in this term are. And it comes from a conference that the IFC held where they started talking about the effort to assist in the integration of environmental, social and governance ESG..."
